**BIM – How it's changing the way we do business**

**Luke Grebe, PE & Rob McKenna**

HDR

This multi-faceted presentation will provide an update from a consultant's perspective on BIM (Building/Bridge Information Modeling – 3D) and CIM (Civil Integrated Management – 3D) design and the current level of adoption in highway design and construction. The presentation will give an overview of the design and implementation process, then discuss project specific examples and focus on some of the lessons learned and challenges faced.

Session is **FREE** for ASHE DeVal Members

There will be a \$40 charge for all non-governmental employees, who also are not ASHE (DeVal) Members

**RESERVATION DEADLINE 4/13/18**

(Check or cash collected at the door-separate from the dinner fee)

Due to high demand space is limited to the first 100 people; you **MUST** reserve a space to attend the ASHE Technical Session.
