## Delaware Valley Section **TECHNICAL SESSION RESERVATION FORM**

**Safety in Highway Construction – The New Silica Standard and Fall Protection**

Wednesday, February 21, 2018 4:00 – 6:00 PM

Radisson Hotel, King of Prussia

Follow the signs to room once you arrive

**Safety in Highway Construction – The New Silica Standard and Fall Protection**

**Adam Hill, Safety Coordinator**

Road-Con, Inc.

This two part presentation will be focused on fall protection and the implementation of the new Silica standard in heavy & highway construction. Both presentations will provide attendees with an overview of the OSHA standards and all significant changes associated with them. Since the updated Silica standard has gone into effect many employers still struggle to comply, therefore the presentation will also highlight common industry practices and technologies being used to better protect workers while maintaining OSHA compliance.

Session is **FREE** for ASHE DeVal Members

There will be a \$40 charge for all non-governmental employees, who also are not ASHE (DeVal) Members

**RESERVATION DEADLINE 2/16/18**

(Check or cash collected at the door-separate from the dinner fee)

Due to high demand space is limited to the first 100 people; you **MUST** reserve a space to attend the ASHE Technical Session.

Name	Company	Telephone	ASHE (DeVal) Member? (Y/N)	Governmental Employee? (Y/N)

\* The hours of technical instruction or presentation reflected in this session do not imply or guarantee approval by the State Professional Licensing Board (or any other State).
