Wetland and Waterways Permitting in Pennsylvania

Robert P. O'Neill

Gannett Fleming, Inc.

This presentation will provide an overview of the rules and regulations governing work in wetlands and waterways in Pennsylvania with an emphasis on transportation projects. The major permitting programs will be discussed and the presentation will highlight specific permit types encountered on roadway and bridge projects, including utilities. The documentation requirements associated with preparing a complete permit application will be reviewed.

Case studies will be presented that highlight examples of the types of permits used on transportation projects in Pennsylvania and some of the unique issues and circumstances surrounding the permitting for those projects.

Session is **FREE** for ASHE DelVal Members

There will be a \$40 charge for all non-governmental employees, who also are not ASHE (DelVal) Members

RESERVATION DEADLINE 11/3/17

(Check or cash collected at the door—separate from the dinner fee)
