Re: 2018 Robert Shaw Memorial Scholarship

Dear Sir/Madam:

The Delaware Valley Section of the American Society of Highway Engineers would like to inform both yourself and your students of our 2018 Scholarship Program. The Robert Shaw Memorial Scholarship Program was established in memory of Mr. Shaw, who showed great commitment to the practice of Civil Engineering, to grow the base of the civil engineering community at the university level as well as to reward civil engineering students for their outstanding efforts. This year, the Robert Shaw Memorial Scholarship Program anticipates distributing several thousand dollars raised through donations from members of the local engineering community and the family and friends of Mr. Shaw. This money will be distributed to eligible students who have excelled both inside and outside of the classroom.

I have enclosed an application and award criteria for your use. Please feel free to display the application and award criteria as you see fit. Please contact me at (610) 205-6544 or at smcinnnes@pa.gov, if you have any questions or need additional information.

On behalf of the Delaware Valley Section of the American Society of Highway Engineers, Urban Engineers, Inc. and the friends, family and coworkers of Mr. Shaw, I would like to personally thank both you and Penn State University for supporting the growth of the civil engineering community, specifically, the highway industry.

Sincerely,

Sarah E. McInnes, P.E.
Scholarship Committee Chair
