1500 WALNUT STREET, SUITE 1105 • PHILADELPHIA, PA 19102 • (215) 546-4555

September 23, 2022

**Re: American Society of Highway Engineers
2022-2023 Delaware Valley Section Scholarship Program**

Dear Sir/Madam:

The Delaware Valley Section of the American Society of Highway Engineers would like to inform both yourself and your students of our 2022-2023 Scholarship Program. The ASHE scholarship program was established to help grow the base of the civil engineering community at the university level, as well as to reward civil engineering students for their outstanding efforts. This year, the Delaware Valley Section of ASHE anticipates distributing several thousands of dollars raised through donations from members of the local engineering community. This money will be distributed to eligible students who have excelled both inside and outside of the classroom.

I have enclosed an application and the award criteria for your use. Please feel free to display the application and award criteria as you see fit. Please contact me at (610) 783-3819 or at bmasi@gfnet.com, if you have any questions or need additional information.

On behalf of the Delaware Valley Section of the American Society of Highway Engineers, I would like to personally thank both you and the university for supporting the growth of the civil engineering community, specifically, the highway industry.

Sincerely,

Bruce P. Masi

Bruce P. Masi, P.E
Scholarship Committee Chair
